7.12.03	Exceptions
7.12.04	Parental responsibility
7.12.05	Enforcement procedure
7.12.06	Penalties
7.12.07	Emergency curfew

7.12.01 Definitions For the purposes of the Curfew Ordinance the following terms, phrases, words and their derivations shall have the meaning given herein. When not inconsistent with the context, words used in the present tense include the future, words in the plural number include the singular and words in the singular number include the plural. The word "shall" is always mandatory, and not merely directory.

Juvenile or minor is any person under the age of eighteen (18) or, in equivalence phrasing often herein employed, any person seventeen (17) years of age or less.

Parent is any person having custody of a juvenile

- A. as a natural or adoptive parent,
- B. as a legal guardian,
- C. as a person who stands in *loca parentis*,
- D. as a person to whom legal custody has been given by order of a court of competent jurisdiction.

Remain means to stay being, to tarry, and to stay unnecessarily upon the streets, including the congregating of groups (or of interacting minors) totaling three or more persons in which any juvenile involved would not be using the streets for ordinary or serious purpose such as passage or going home.

Street is a way or place of whatever nature open to the use of the public as a matter of right for purposes of vehicular travel, or in the case of a sidewalk thereof for pedestrian travel. The term street includes that legal right-of-way, including but not limited to traffic lanes, the curb, the sidewalks whether paved or unpaved, and any grass plots or other grounds found within

the legal right-of-way of a street. The terms street applies irrespective of what it is called or formally named, whether alley, avenue, court, road or otherwise. The term street shall also include shopping centers, parking lots, parks, playgrounds, public buildings, the common areas of public housing developments, and similar areas that are open to the use of the public.

Time of night referred to herein is based upon the prevailing standard of time, whether Central Standard Time or Central Daylight Savings Time, generally observed at that hours by the public in the city, *prima facie* the time than observed in the city police station.

Years of age continues from one birthday, such as the seventeenth to (but not including the day of) the next, such as the eighteenth birthday, making it clear that seventeen or less years of age be treated as equivalent to the phrase "under eighteen years of age." (Ord. No. 2004-208, Sec. 1.)

7.12.02 Curfew for juveniles It shall be unlawful for any person seventeen (17) or less years of age (under eighteen [18]) to be upon or remain in or upon the streets within the city of Lake City, Arkansas, at night during the period ending at 5:00 a.m. and beginning:

- A. at 1:00 a.m. on Friday and Saturday nights; and
- B. at 11:00 p.m. on all other nights.
(Ord. No. 2004-208, Sec. 2.)

7.12.03 Exceptions In the following exceptional cases a minor on a city street during the nocturnal hours prescribed for minors shall not however, be considered in violation of the Curfew Ordinance:

- A. When accompanied by a parent of such minor;
- B. Then accompanied by an adult at least twenty-one (21) years of age who is not the parent and who is authorized by a parent of such minor to take said parent's place in accompanying said minor for a designated period of time and purpose within a specified area;
- C. When exercising First Amendment rights protected by the United States Constitution, such as the free exercise of religion, freedom of speech and the right of such exercise by first delivering to the person designated by the Chief of Police to receive such information at the Police Department, 406 Court Street, Lake City, Arkansas, a written communication signed by the juvenile and countersigned by a parent of the juvenile with their home address and telephone number specifying when, where, and in what manner the juvenile will be on the streets at night (during hours when the Curfew Ordinance is otherwise applicable to said minor) in the exercise of a First Amendment right;

- D. In case of reasonable necessity for a juvenile remaining on the streets, but only after the juvenile's parent has communicated to the person designated by the Chief of Police to receive such notifications, the facts establishing the reasonable necessity relating to specified streets at a designated time for a described purpose including points or origin and destination. A copy of the communication, or of the police record thereof, duly certified by the Chief of Police to be correct, with an appropriate notation of the time it was received, and of the names and addresses of the parent and juvenile, shall be admissible evidence;
- E. When returning home from and within one (1) hour after the termination of a school or city-sponsored activity, or an activity of a religious or other voluntary association of which prior notice indicating the place and probably time of termination has been given in writing to and duly filed for immediate reference by the person designated by the Chief of Police;
- F. When engaging in the duties of *bona fide* employment or traveling directly, without undue delay or detour, from home to the place of employment, or from the place of employment to the home.
- G. When the minor is in a motor vehicle for the purpose of interstate or intrastate travel, either through, beginning, or ending in Lake City, Arkansas. (Ord. No. 2004-208, Sec. 3.)

7.12.04 Parental responsibility It shall be unlawful for a parent of a juvenile to permit or allow the juvenile to be or remain upon any city street under circumstances not constituting an exception to, or other wise beyond the scope of the Curfew Ordinance. This ordinance is intended to hold neglectful or careless parents to a reasonable community standard of parental responsibility through an objective test. It shall be no defense that a parent was indifferent to the activities or conduct or whereabouts of such juvenile.

- A. Police procedures shall be refined in light of experience and may provide that the police officer may deliver to apparent or guardian thereof a juvenile under appropriate circumstances.
- B. When a parent or guardian has come to take charge of the juvenile, and the appropriate information has been recorded, the juvenile shall be released to the custody of such parent. If the parent cannot be located or fails to take charge of the juvenile, then the juvenile shall be released in accordance with Arkansas and federal law.
- C. In the case of a first violation by a juvenile, the Police Department shall by certified mail or direct service, send and/or deliver to a parent written notice of the violation with a warning that any subsequent violation will result in full enforcement of the Curfew Ordinance, including enforcement of parental responsibility and/or applicable penalties. (Ord. No. 2004-208, Sec. 4.)

7.12.05 Enforcement procedure If a police officer reasonably believes that a juvenile is on the streets in violation of the Curfew Ordinance, the officer shall notify the juvenile that he or she is in violation of the ordinance and shall require the juvenile to provide his or name, address, and telephone number and how to contact his or her parent or guardian.

In determining the age of the juvenile and in the absence of convincing evidence, a police officer shall use his or her best judgment in determining age. (Ord. No. 2004-208, Sec. 5.)

7.12.06 Penalties

- A. If after the warning notice pursuant to 7.12.05 of a first violation by a juvenile, a parent violates 7.12.06 (in connection with a second violation by the juvenile), this shall be treated as a first offense by the parent. For parental offenses, a parent may be fined not less than Fifty Dollars (\$50.00), nor more than Five Hundred Dollars (\$500.00), plus court costs.
- B. Any juvenile who shall violate any of the provisions of the Curfew Ordinance more than three (3) times shall be reported by the Chief of Police to the juvenile authorities as a juvenile in need of supervision and the Chief of Police shall refer the matter to the Craighead County Prosecuting Attorney and/or the Arkansas Department of Human Services and/or other appropriate authorities. (Ord. No. 2004-208, Sec. 6.)

7.12.07 Emergency curfew

Any time a condition which in his judgment a civil disturbance, riot, insurrection or time of local disaster has arisen or is imminent, the Mayor may declare a state of emergency and impose a curfew for such time and for such areas as he deems necessary to meet such emergency. However, it has been determined that residences and rural businesses outside of the corporate confines are also in need of fire protection services and further that it is within reason for the city of Lake City's Fire Department to provide services outside of the city limits provided a fee is paid for the services.
